EXPLANATION OF VOTE

Rep. Odom asked that the following be spread upon the Journal:

MR. SPEAKER:

Pursuant to **House Rule No. 30**, I request the following explanation of my votes on House Bills Nos. 2009, 2010 and 2011 be spread on the Journal:

While I support the concept of increasing the participation of citizens in government through their involvement on various boards and commissions, I believe that the people of Davidson County spoke out on that issue on March 8, Super Tuesday. On that day, the voters turned down propositions which would have expanded a number of Metro boards and commissions. As elected representatives, we should hear and respect their wishes. Accordingly, I voted "no" on the measures listed above.

Section 3. The legislative intent of Chapter 363 of the Public Acts of 1987 was to increase the compensation of county officers and clerks of courts in an amount equal to state employees and the funding of the state share of such costs was so provided in such act; therefore, the increases in compensation authorized by Sections 1 and 2 of this act shall take effect on July 1, 1988, except in counties of the seventh class as defined in Tennessee Code Annotated, Section 8-24-101(a)(7). It is the intent of this section to make the maximum compensation specified by Tennessee Code Annotated, Section 8-24-102 for all counties within each classification to be uniform, except in such seventh class counties, as of July 1, 1988, and to make the minimum compensation as specified by Tennessee Code Annotated, Section 8-24-104 for all counties within each classification to be uniform except in such seventh class counties as of July 1, 1988. To accomplish this purpose any such county official or clerk of court who received less than a four and one-half percent (4.5%) increase effective September 1, 1987, shall, except as otherwise provided in this section, effective July 1, 1988, receive a monthly apportionment of the annual increase as is necessary to effectuate a four and one-half percent (4.5%) increase for the months of July and August, 1988. No retroactive compensation need be made to such officers and clerks of courts

Provided, however, seventh class counties, as defined in Tennessee Code Annotated, Section 8-24-101(a)(7), shall not adjust the salaries of county officers and clerks of courts, on July 1, 1988, as required by this section. The funding of the state share of such costs is hereby reenacted as stated in Sections 1 and 2 of Chapter 363 of the Public Acts of 1987 and as codified as Tennessee Code Annotated, Section 8-24-102 and 8-24-104. Nothing in this section shall be construed as prohibiting any such county official or clerk of court from receiving the prospective annual increase provided by Sections 1 and 2 of this act, which amend the provisions of Tennessee Code Annotated, Sections 8-24-102 and 8-24-104.

Section 4. Tennessee Code Annotated, Sections 8-24-102(f) and 8-24-104(g), are amended by adding to each subsection the following:

If in any fiscal year the percentage increase in compensation for state employees is not a uniform percentage increase, the compensation for each officer provided herein shall be raised by a percentage amount equal to the percentage increase that state employees received in the last preceding uniform year. Notwithstanding any provision to the contrary, the increase effective September 1, 1988, shall be based on the compensation in effect for the month of August, 1988.
